SMALL GROUPS

## LEARN TO:

- have a consistent life of prayer
- recognize God's voice
- partner with God
- see things accomplished through prayer

## PROBLEM

Most Christians sincerely want to pray but struggle to find the time or sense a connection with God if they pray.

## SOLUTION

Each seminar, retreat or small group is designed to create an ideal opportunity for you to reorient your life around prayer and the Word of God.

## DISCOVERY

A "Choosing Mary's Place" event is all about new discovery.

- Gaining a more complete and motivating view of prayer.
- Sensing God's longing to communicate with us.
- Confronting and eliminating obstacles to prayer.
- Creating a God-directed reorientation plan that works.

## GUIDEBOOK (in two stages):

**The Studies**, provides fresh insights that increase motivation and competence. The second stage, **The Process**, lays out a unique process for re-connecting with the Lord and developing a personal reorientation plan.

If you are ready to walk this path to a prayer-centered life, then a "Choosing Mary's Place" event is for you, your small group, church or other ministry team.
